## Annual Report Academic Year 2015-16

## **Dear Donors, Sponsors and Members of the Chitrapur Saraswat Samaja,**

The Academic Year 2015-16 has been an eventful one, with the Students of your School winning accolade after accolade, not only in the Academic sphere but also in the Sports and Cultural spheres.

I feel immensely proud to inform you that Praveen Devadiga who got the 1<sup>st</sup> rank in the Bhatkal Taluk, 3<sup>rd</sup> rank in the Karwar Educational District and 4<sup>th</sup> Rank in the entire Uttara Kannada district for the Academic year 2015-16 is a student of your School.

The aim of the Trustees, under the keen Guidance of Parama Pujya Shrimat Sadyojat Shankarashram Swamiji, has been to ensure the all- round personality development of the Students entering the portals of this great School so that they are well prepared to take on challenges whether in higher Education in a chosen area of specialization, or in their future Career. Thus making them smart, well- adjusted and mature young Women and Men, poised to positively contribute to the task of Nation- building, whilst becoming successful individuals in their own capacity.

It is with this Aim, as also in keeping with our growing presence in the Education field, with the Blessings and Approval of Swamiji, a committee named as the 'Apex Committee for Education' (ACE) was set up to guide and assist in managing the various educational institutions including Srivali High School.

This committee, comprises senior personnel from the education, corporate/business and banking sectors, namely- Dr.Shankuntala Katre, Shri Muralidhar Prabhu, Shri Dilip Mavinkurve, Shri Sharad Kadle & Shri Ramchandra Alekal.

It might not be out of place to mention here, that apart from the Srivali High School managed by the Srivali Trust, the following Trusts are also very closely affiliated to the Shri Chitrapur Math :

1. The Saraswat Education Society, Mangaluru which runs the Ganapathy High School group of institutions which includes a Pre-University College in Mangaluru & Parijnan College of Science & Commerce at Kotekar, near Mangaluru.
2. Guruprasad Education Society High School at Mallapur
3. Shree Trust, which manages a Special School in Virar, Mumbai, which focuses on tailor-made education for the differently abled (both Physical & Mental), continues to do exemplary work as always.
4. Karla Education Society which runs the Parijnanashram Vidyalaya at Karla in Maharashtra.

Anandashram Vidyalaya - a primary school (KG to 7<sup>th</sup> Standard/Grade) in Shirali run by the Karnataka Education Department with assistance from the Math, is one of the feeder schools as are several other primary Schools from Shirali and the adjoining areas.

We acknowledge with gratitude the support of the Chitrapur Heritage Fund, USA & the Kulkarni Foundation, USA & Smt.Mira Mundkur, who have, year after year, whole-heartedly supported the Srivali High School through sponsorship of students and financial support for infrastructure- enhancements undertaken at the School. We also take this opportunity to thank the Konkani Charitable Fund Inc., and all the numerous sponsors/donors, who have supported the School through student- sponsorship and donations.

Without their support, it would indeed have been an uphill task to run the School as you all are aware. For our School not only offers Free Education, but also equips all the Students with free Uniforms and Books and serves nutritious Mid-day meals without cost. Solar Lamps are also supplied free to students of the 10<sup>th</sup> standard to ensure that they can study at home, even when there are power outages. From the academic year 2016-17, it is planned to also provide all the students of the 9<sup>th</sup> standard too with these Solar Lamps.

The Trustees of Srivali Trust take great pleasure in presenting the School's Annual Report for the year 2015-16 to you all and take this opportunity to thank all of you for your unstinted support & encouragement.

With Warm Regards,  
Praveen Kadle

## Annual Report 2015-16

### A) Governance

It is a Euphoric atmosphere at the Srivali School. Yet another successful year for the School. Highly satisfying too, for the Teachers & equally for the Students.

The Faculty has worked hard to ensure that the School retains its position as one of the leading Schools' in Bhatkal Taluka.

Guiding and Mentoring the Students to not only excel in their academic sphere, but to participate and excel equally well in extra- curricular activities such as Sports, Arts, Dramatics & other Cultural Events.

The continued deep commitment & consistent efforts on the part of both faculty and students to bring glory to the School has yielded fruit. The School has achieved 97.94% pass rate in the SSLC Board Examination.

Last year it was reported that Dr.Shakuntala Katre, an eminent Educationist at the National Level had visited the School and was highly impressed with what she witnessed during her visit to the School and had expressed her desire to offer her pro bono services to the Governing Council.

We are very happy to inform you, that Dr.Shankuntala Katre is now an important & active member of the APEX Committee which is tasked by Parama Pujya Sadyojat Shankarashram Swamiji, with the responsibility to guide and take the Education Vertical of Shri Chitrapur Math to the next level.
