

Srivali High School[®]

Annual Report

Academic Year 2017-18

Nurturing the future of rural India....Our Children, India's Future

Dear Sponsors, Supporters and Well Wishers of Srivali High School,

Jai Shankar!

The Academic Year 2017-18 like the previous years, has been a highly fruitful and enriching year. The Track Record of your School both in the Academic and Non- Academic sphere has been impeccable since inception. In keeping with this, the Students of your School have turned in excellent results yet again.

I feel immensely happy to inform you that the School has had a record 95.6 % Pass result as against the State average of 71.93 % and the Uttara Kannada District average of 88.12%

It is only through cohesive team efforts of the Trustees, working with the School Administration and with the support of the Senior Leadership team member Shri Ramchandra Alekal Rao, the students, YOU- the sponsors and well-wishers and under the constant Grace of and Guidance from Parama Pujya Swamiji, that the School has been able to turn in excellent results every year, year on year.

For many students, the traditional learning techniques serve them well and help them in furthering their Academic pursuits. For a few, however, our traditional learning frameworks might not meet their needs. The challenge for us, thus is to prepare all our students so that when they leave school they leave with the skills and preparation to become valuable contributing members of society who can earn a good living wage or ready themselves for further studies.

With this in mind, a Vocational Training Centre has been set up in the School where students from the 8th and 9th standard can enrol to learn new vocational skills such as Carpentry, Electrical and Plumbing work. Shri Harin Hattangady and his team, all residents of Shirali , with the Blessings from Parama Pujya Swamiji have been instrumental in setting up, managing and teaching the students these skills. A separate report on the Vocational Centre is included in this Annual School report.

Since your School offers completely free education and provides all the students with free uniforms, books and a mid-day meal, one of the annual challenges we face is to ensure that every single child in the School is sponsored. Besides which, your School also requires substantial funds not only for the maintenance of the existing School premises, but also to plan the future requirements of the School.

We are extremely grateful to have received funds from our munificent Donors - Chitrapur Heritage Foundation of USA and the Jayapriya Foundation of Australia and numerous other Student Sponsors and sincerely look forward to continued and enhanced level of financial support. We also thank the Jayapriya Foundation for sponsoring the Reward Scheme for Students in the SSLC Board exam.

The School is currently in the process of acquiring a plot of land measuring 2,299 square yards/ 0.4748 acre at a cost of approximately US\$ 250,000/-. This plot of land is adjacent to the School and shares a common boundary wall with it. We seek financial support through donations to meet this large Capital expenditure.

We have an outstanding team of people working hard to make sure that Srivali High School remains one of the top Schools not only in Shirali, or in the Taluka, but also holds its own in the Uttara Kannada District.

I would like to take this opportunity to thank all my colleagues on the Board of Trustees, the Sponsors and Donors, the School Administration, the Senior Leadership team for their unstinted support and above all, Parama Pujya Sadyojat Shankarashram Swamiji for His Guidance and Blessings.

With warm personal regards,
Praveen Kadle

Annual Report 2017-18

A) Governance

Our Vision

To be an educational institution serving the rural community by focusing on supporting children in and around Shirali, to enable them to realise their potential, to inculcate an appetite for continuous learning and to forever nurture an enquiring mind.

Our Mission

To provide a unique environment that takes young people through an integrated and developmental approach to education and through meaningful student engagement in learning, develops interpersonal and intrapersonal physical and cognitive competency in young people empowering them to lead purposeful, fulfilling lives.

Our Motto

Be inspired... Get connected... Make a difference!

Our Student Vision

Our hopes and dreams for our young people's future are that each one of them can

- Use creative, innovative and critical thinking to make a difference.
- Have an open and enquiring mind.
- Use their passions, talents and skill to create a future that excites them and contributes positively to society at large.
- See the adventure, opportunity, connections and possibilities in life.
- Act with respect towards themselves, others and the world.
- Create their own financial independence in win/win ways.
- Turn dreams and ideas into reality.
- Accept life's challenges with a resilient and flexible attitude.
- Create a happy and healthy life- balance.
- Communicate with maturity, openness and integrity.

B) Performance

- Yet another satisfactory and successful year for the School. The School has retained its position as one of the leading schools in Bhatkal Taluka and the Uttara Kannada District.
- **The School has achieved a 95.6 % pass rate in the SSLC Board Examination as compared to 92.66% in 2016-17.**
- The students continued to excel in both their academic as well as in extra-curricular activities such as sports, performing arts, dramatics and other cultural events.

- Srivali High School is proud of all its student and teaching achievements. We believe every day offers something to be honoured in both of these areas. Whilst we acknowledge the awards and prizes as intrinsic recognition of the work the children and team do here at Srivali High School, we prefer our focus to be on the effort students and teachers put in every day towards their own growth and learning. This we believe, is the essence of true achievement.
- We are very happy to inform you, that Alekal Ramchandramam - a very senior and highly respected educationist, continues his 'hands on' involvement in the administration of the Srivali High School, as also the other Schools managed by Trusts affiliated to Shri Chitrapur Math.
- With the Blessings of Parama Pujya Swamiji, Shri Harin Hattangady, a resident of Shirali, has set up Vocational Training classes for the 8th and 9th standard students of the School. Students of the 10th Standard are not expected to participate since academically it is a crucial year for them. Students of the 8th and 9th standards voluntarily join the classes to learn carpentry, electrical and plumbing work. Students learn any one of these trades as an extra curricular activity during their spare time after school hours. These basic courses are designed to ensure that students not only find an avenue to learn a new trade, but to also spend their spare time productively.

B) Details of Students on the rolls of the School

Number of Students in the 8th, 9th & 10th Class :- 2017-18

Class	Boys	Girls	Total
8 th Class	60	81	141
9 th Class	67	60	127
10 th Class	63	53	116
Total	190	194	384

C) S.S.L.C. Result for the Academic Year 2017-18

- The School achieved 92.66 % results. The details of performance are as follows:
- Total students who appeared for the examination : 109
- **Result :**
 - Distinction : 23
 - First Class : 70
 - Second Class : 8

D) Recognition and Awards :

❖ Academic :

SSLC Toppers List 2017-18

Sr.No	Student's Name	Marks	Percentage	Rank
1	Vinay Govind Devadiga	592	94.72	1 st
2	Likhita Devendra Naik	583	93.28	2 nd
3	Pragati Manju Gond	575	92.00	3 rd

- On 21st June the School celebrated ‘World Yoga Day’. Sri Durgadas Naik (Shirali) gave a brief speech on Yoga and taught some exercises to our students.
- On 16th June, the School held its first Parents and Teachers Meeting for 8th std. students during which the parents were sensitised to the school’s rules and regulations, plus the school activities which would involve the parents and students together.
- On 15th February, 2018 our Teacher Shri Narayan Naik (Social Science Teacher) was honoured by the Educational Department at NES Honnavar, for his immense effort in teaching social studies which resulted in our student securing the highest score for the year 2017-18 in the SSLC examination at the Taluka Level.
- Solar Lamps were distributed to all the S.S.L.C. Students at a function held on 12th August by Sri Harin Hattangady and Smt. Nalini Manjeshwar.
- Spoken English classes were conducted every week from Monday to Friday for 45 minutes in addition to the normal class curriculum. Students have benefited immensely due to these special classes.
- Dr Meena Chandavarkar ex Vice-Chancellor of the Karnataka State Women’s University, Bijapur, visited our school and observed all our school activities over a couple of days and gave the Head-mistress some suggestions to implement in the curriculum. She appreciated the competency of the School’s Teachers and the achievements of the Students not only in academics but also in sports and cultural activities.
- On 24th August the Annual Cluster Level Pratibha Karanji for the year 2017-18 was held at St. Thomas English Medium School Kotebagilu, Shirali. In this competition many of our students participated and several won prizes.

The Winners’ list

Sr. No	Student’s Name	Events	Place
1	Veena Masti Naik	Kannada Speech	1 st
2	Gouthami B. Hebar	Sanskrit Speech	1 st
3	Swati Shiva Vaddar	Telugu Speech	1 st
4	Ashwini Raju Nayar	Tamil Speech	1 st
5	Ganapati N. Moger	Visual Art	1 st
6	Arun M. Naik		
7	Dhanaraj R. Bakad		
8	Madan K. Moger		
9	Pragati M. Gond	English Speech	2 nd
10	Shashidhar N. Mahale	Konkani Speech	2 nd
11	Ashwini L. Naik	Folk Song	2 nd
12.	Deksha N Naik	Bharat Natya	2 nd
13	Ganesh N. Naik	Fancy Dress	2 nd
14	Yashodha S. Naik	Debate	2 nd
14	Lokesh G. Moger	Tribal Music	2 nd
15	Sahana P.	Hindi Speech	3 rd
16	Prashanti Hebar	Dharmika Pathana	3 rd
17	Yashodha S. Naik	Pick and Speech	3 rd
18	Hemant D. Naik	Gazhal	3 rd
19	Bhagyashree Vibhuti and Team	Folk Dance	3 rd

- On 15th September the Taluka Level ‘Pratibha Karanji’ was held at the Govt. Higher Primary School, Chitrapur and at our school with the co-operation of the Education Department. In this Competition our students won the following prizes.

Winners’ List :

S. No	Student’s Name	Events	Place
1	Swati Shiva Vaddar	Telugu Speech	1 st
2	Ashwini Raju Nayar	Tamil Speech	1 st
3	Veena Masti Naik	Kannada Speech	2 nd
4	Ganapati N. Moger	Visual Art	2 nd
5	Arun M. Naik		
6	Dhanaraj R. Bakad		
7	Madan K. Moger		

- On 9th November at a competition held to celebrate the Golden Jubilee celebration of Janata Vidyalaya, Murudeshwar, our student Veena M Naik secured the 1st place in the speech competition and Ms. Chaitra Naik got 3rd place in Essay writing.
- On 27th November, under the auspices of the Bhatkal Vikas Parishad and NES a quiz competition was conducted for S.S.L.C. students. In this competition our students, Vinaya Devadiga, Pragati Gond, Devi Naik participated.

❖ Sports :

- On 30th August, at the Cluster Level Sports meet for 2017-18 held at Shri Durgaparmeshwari High School Alvekodi, Shirali many of our students participated and several won prizes.

The Winners’ list

S. No	Student’s Name	Events	Place
1	Charan Biliya Naik	110mtr. Hurdles	1 st
2	Dhanush Ramadas Moger	Chess	1 st
3	Anudeep Harish Chitrapur	Yogasana	1 st
4	Gururaj babu Bakad	Pole vault	1 st
5	Ankit V. Naik	Yogasana	1 st
6	Likhita Devendra Naik	Pole vault	1 st
7	Swaroop Umesh Naik	110mtr. Hurdles	2 nd
8	Likhita Devendra Naik	High Jump	2 nd
9	Deelip V.Naik	Yogasana	2 nd
10	Likhita S. Jain	110mtr. Hurdles	2 nd
11	Sahana P.	Yogasana	2 nd
12	Ngaraj M. Devadiga	High Jump	2 nd
13	Kartik P Devadiga	Pole vault	2 nd
14	Likhita S. Jain	Pole vault	2 nd
15	Gururaj Babu Bakad	Hammer Throw	2 nd
16	Ganapati Nagesh Moger	Javelin	2 nd
17	Charan Biliya Naik	Triple Jump	3 rd
18	Ganapati Nagesh Moger	High Jump	3 rd

19	Poornima Sadanand Naik	Triple Jump	3 rd
20	Jayanti Masti Gond	Long Jump	3 rd
21	Nagaraj M Devadiga	Hammer Throw	3 rd
22	Bhavana Kuppa Naik	Triple Jump	3 rd
23	Madan Krishna Moger	Walk	3 rd
24	Swaroop Umesh Naik	100 mtr. Running	3 rd
25	Charan Biliya Naik	200 mtr. Running	3 rd
26	Purandar nagayya Gond	15000 mtr. Running	3 rd
27	Boys' Group Events	Volleyball	1 st
		Ball Badminton	1 st
		Kho-kho	1 st
		Throw Ball	2 nd
28	Girls' Group Events	Kho-kho	1 st
		Ball Badminton	2 nd
		Throw Ball	2 nd
		Kabbadi	2 nd

- Likewise, at the Taluka Level Sports meet held at the Government High School, Belke, Bhatkal from 12th to 14th September some of our students participated and the following won prizes.

The Winners' List

Sr. No	Student's Name	Events	Place
1	Charan Biliya Naik	110mtr. Hurdles	1 st
2	Dhanush Ramadas Moger	Chess	1 st
3	Boy's Volleyball	Volleyball	1 st
4	Ankit V. Naik	Yogasana	2 nd

- On 11th October, the District Level Sports Competition was held at Govt. High School Belke, Bhatkal. Our student Charan Biliya Naik secured the first place in the 110 mtr. Hurdles and he became eligible to compete at the State Level sports meet held in Gadag.
- On 15th October, our student Ankita Vasant Naik participated in the 'Yoga' competition at Divisional level T.G.T. sports meet in Gadag and Hemant Naik participated in the Throwball competition in Haveri.
- On 4th December, our student Lata Panduranga Naik got 1st place at the Division Level Sports Competition in the 110 mtr. Hurdles race and became eligible to compete at the State Level competition at Bangalore.

❖ General Events in the School during the year

- Under the supervision of Bhatkal Taluk Health Department we have conducted a Rally for 'Malaria Disease Control and Prevention' along with the officer of the Health Department Shri Irayya Devadiga and all the teaching staff and students.
- We celebrated the 71st Independence day at our School. Sri Shivaraj D.B. (The Manager of Vijaya Bank, Shirali.) hoisted the flag and addressed the students. Later on, a cultural programme was conducted by our students as part of the Independence day celebration.

- On 17th August, an awareness programme of H¹ N¹ and Dengue was held at our School under the supervision of the District Health Department, Uttara Kannada and the Taluk Health Department, Bhatkal. Sri Ashok Kumar G. N. and Sri Irayya Devadiga spoke to the students regarding H¹ N¹ and Dengue and informed them about the preventive measures that they should take.
- On 31st August, Shri Mangesh Chikkarmane conducted a presentation regarding 'How to use the Fire Extinguishers' at our school premises and showed us how to use it safely through a demonstration. On this occasion Sri Narayan Mallapur, The Manager of Sri Math and some staff members of Sri Math and our School Teachers were present and benefited from the demonstration..
- On 5th September, the School celebrated 'Teachers' Day'. Shri Jagannath Sir of (Mangalore) who had served as Headmaster at our School in the past was the chief guest at the Teachers' Day celebration. He was honoured by the School for his valuable contribution during his tenure as Headmaster.
- The 'KALA KUSUMA' students' Art gallery was inaugurated by Sri Amrith Ramarath, (Principal of J.V,Shirali) on 14th November. The occasion was graced by Sri Narayan Mallapur and other guests who appreciated greatly the paintings done by the students of our School.

What is Prathibha Karanji :

- *Prathibha Karanji is an extended programme under the Auspices of the Karnataka Education Department, consisting of planned schemes for Primary and High School students of the Karnataka State. It is an innovative program where cultural and literary competitions are conducted at Cluster, Block, District and State Levels. It provides a common platform for students for various competitions in which successful children are given certificates of appreciation and prizes and selected students are sent to compete in higher level competitions.*
- *The Prathibha Karanji Program aims to,*
- *Assist in the personality development of the students.*
- *Combine Education and Entertainment and encourages develop non-cognitive skills.*
- *Bring out the hidden talents in children.*
- *Provide a platform for the students to learn and acquire new skills.*
- *Provide teachers an opportunity to play a vital role in identifying talents in the students.*
- *Encourage parents and teachers to mould the personality of the children and develop a competitive spirit in them.*
- *Encourage students to engage and exhibit their talents in extra-curricular activities side-by-side with academics.*

The Vocational Skills Training Centre.....A Beginning

Parama Pujya Swamiji and the Board of Trustees had been discussing the prospects of commencing a centre to impart vocational skills to the children of the School and when Harin Hattangady mam approached Swamiji with his proposal, Swamiji immediately gave the go-ahead to commence the Vocational Skills Training Centre as soon as possible.

On 1st July, 2017 Parama Pujya Swamiji inaugurated the Vocational Training Centre. During Swamiji's *Ashirvachan*, He stressed on the importance of this project and how it would help the participating students in learning new skills. The inauguration was attended by Shri Praveen Kadle, Shri Ramachandra Alekal, Shri Venkatesh Patagar-B.E.O. Bhatkal, Shri Narayan Mallapur and Shri B.G. Kailaje.

It was decided that the students who would be enrolled in this skills training would be from grades 8 and 9 since the 10th grade students would need to concentrate on academics without any distractions. Harin mam with his team of volunteers (Jyoti Hattangadi pacchi and Ganesh Bankeshwar mam) started the centre.

The centre started off with 96 students, out of which 90 were boys and 6, girls. The children were divided into six batches of 16 each and were named M1 (Morning 1), E1 (Evening 1) M2, E2, M3 and E3. M1 would come on Monday morning and Thursday morning. E1 would come on Monday and Thursday evening. Similarly, M2 on Tuesday and Friday morning, E2 on Tuesday and Friday evenings. M3 and E3 were allotted Wednesday and Saturday morning and evening respectively. Therefore, each child would get 2 hours per week and the morning batch would be held before school started (08:00 to 09:00 hrs) while the evening batch would be after school (16:00 to 17:00hrs).

The first session for each batch was dedicated to safety and safe working practices. Simple rules were to be enforced. Wearing of safety glasses was a must.

To manage the classroom, each group had a specific housekeeping activity to do before leaving the classroom. One group would have to check that all the tools were back in their place, another would be responsible for cleaning the classroom, yet another to ensure that safety glasses were cleaned and kept back, whilst the last one would make sure the library books were in place. The responsibilities of the group would change every month so that all groups got to do all the jobs. The high-quality industrial grade safety glasses were presented by Dr. Basrūr Girīsh Rāo who works in SHELL in Bengaluru.

The wood for the carpentry projects was donated by Jai Bhārat Fertilizers Company in Mangaluru SEZ. Arrangements and all formalities of 'exporting' the wood out of the Special Economic Zone were facilitated by Shrī Ravishanker Mūrthy of TECHNIP in Mangaluru.

For the sessions on electrical projects, each group was given a strip of wood, wire, bulb holders and bulbs. They were then asked to wire up the bulbs as per the circuit diagram.

To further reinforce the electrical series a concept it was planned to create a 'Garland of Lights'. In this project the children were exposed to a new skill- soldering.

The children also learnt to check for continuity of the circuits using the multi-meter. This was particularly important for this project because for series- connections a break in continuity means that none of the lights will glow.

In fact, this project was so exciting that all the children as well as the facilitators got involved in doing the job and this project is still one that attracts visitors the most. Only one of this was made. First, the frame was built after taking measurements of where this garland would be fixed, i.e. around the photos of God and Guru. Then, the actual fixing of bulbs and the soldering process started.

Working on the various projects was a great experience for the children. Whenever a particular project did not work as expected, review sessions to discuss what might have gone wrong and how this can be rectified were held.

The children learnt the importance of planning, designing and implementing a project with precision. This was also a good opportunity for them to learn in through practicals several concepts of Physics and Mathematics which they learnt in their academic classes.

The centre had also received some very nice books on “Do-it-yourself” projects, carpentry projects and many other reference books too. A small library was set up by the children for which they themselves built sturdy shelves. The centre also received issues of the *National Geographic*, automobile and sports magazines for the library.

The *National Geographic* magazines were the most popular followed by the automobile magazines. Whenever children get some free time, you will find them browsing through these magazines and having some healthy discussions.

A wall measuring 20 feet wide, 8 feet high and about 1 foot thick was erected in the School premises to use for actual plumbing and electrical wiring activities. Power lines were drawn and two distribution points were fixed on either side of the wall. Water lines were also drawn and now the wall had both power and water as is the case with any building. The wall was divided into four parts each measuring 10 feet by 8 feet so that 4 groups could work simultaneously on it.

The students were supposed to make a ‘bathroom’ in each of these 4 spaces and a diagram was given to them to plan their work. The project involved taking measurements for the pipes to be cut, using proper fittings to join the pipes and clamps to fix them on the wall for the plumbing part. For the electrical part they had to cut the casings to size, drill holes and fix them to the wall. Then the wiring had to be done so that the bulbs would light up when switched on. A dummy water heater was also fixed and powered up for them to learn.

The plumbing went off quite well once the children got hang of it, but the electrical wiring took a lot more time than was expected.

As much as the children learnt new concepts and practised acquiring new skills, the most important take-away for them was, learning to work as a team. They learnt the importance of teamwork to achieve a common goal.

It was planned to stop the vocational training classes by end of February so that the children could concentrate on their upcoming final exams in mid-March. This being the case, as the academic year was coming to an end, it was decided that it’s time for teaching the children something more complicated as a sort of grand finale for the year and that was – making furniture!

For this the children had to be taught the most common of carpentry joints, the mortise and tenon. So again a new set of tools were needed, the mortise chisel and the tenon saw.

All the children made the mortise and tenon joint and once that was learnt, the making of furniture began in real earnest. Each group decided what they wanted to do. Tables, chairs, stools, a coffee table, a stand for the bench- drilling machine, etc. They were meticulously guided by Harin mam and his team of volunteers and it was a busy two weeks as the children got into the stride of making furniture. The objective was to finish the furniture by 24th February morning so as to have it ready by 25th February for the exhibition that was planned (during *Rathotsava* when lots of *sadhaka*- s were expected to visit and stay at Shirali).

The children's enthusiasm was at peak-point during the classes. They would independently come up with various solutions to any problem . Often, it was keenly felt that the mistakes that occurred were a 'blessing in disguise' as the students were able to rectify these themselves with some pointers.

It is so fulfilling to see how they are understood an engineering subject,

The exhibition was held on Sunday 25th February 2018. Parents, teachers, residents of Shirali and *sadhaka*- s from all over India attending the *Rathotsava* visited it. The students were given the responsibility of showing the visitors around the classroom and explaining the processes used in class starting form safety, types of tools, methods and finally, the way they had worked on each project, starting right from the first work they had done (bulb holder) till the furniture that was on display. A TV screen was also set up and the photographs of the work the children had done over the last 7 months was in a slide- show.

The children were so enthusiastic that they requested that the class be kept open even on Sundays and other school holidays! They were obliged on few occasions and spent some extra time doing what they seemed to have learnt to enjoy all through the year.

The year passed rapidly and successfully for this new initiative of the School.

For the Academic year 2018-19, we plan to acquire the following additional tools:

1. A lathe machine for wood -turning
2. A scroll saw to make designs
3. A chop saw for making more accurate cuts as well as angled cuts
4. A table saw for cutting the planks accurately

The centre has a router machine so with the above tools the senior children will definitely be able to learn handling of new tools, make more products and in the process learn a fine skill.

AN APPEAL

Srivali High School provides free education to ALL the children, besides providing School Uniforms, Books (both Text books and Notebooks) and a nutritious Mid-Day Meal, all free of cost to all the students.

Due to escalating expenses, the cost of educating a student for one academic year is US\$ 250/- or Rs.15,000/- per year and for 3 years, for the entire high school period i.e. Standards 8th, 9th and 10th, the cost is US\$ 750/- or Rs. 45,000/-. One may sponsor as many students as one desires and remit the cost of sponsorship - by multiplying the cost per student per year with the number of students and number of years for which one wishes to sponsor.

Donations may be made by way of Demand Draft / Cheque in favor of “Srivali Trust”, payable at Shirali and mailed to:

**Srivali Trust,
c/o Sri Chitrapur Math,
Shirali, Uttar Kanada District,
Karnataka, 581354
INDIA.**

Please see the “Donor’s Direction Letter” format on the next page which should accompany your Cheque / Demand Draft, alongwith a self- attested copy of your Passport (for NRIs/Foreign Passport holders) and a self- attested copy of your Pan Card (for Resident Indians). Foreign Citizens can remit the Sponsorship / Donation amount to the following bank account :

**A/c No. 03312200020881

We have read and accepted the Donation policy of your institution. We also acknowledge that Srīvalī Trust is under no obligation to publish or display our name as donors.

Thank you,
Yours faithfully,

Trusts affiliated to Shri Chitrapur Math carrying out Charitable Activity in the Educational Field include:

- 1. Srivali Trust, Shirali** : Manages the Srivali High School
- 2. Saraswat Education Society, Mangaluru** : Manages the Ganapathy High School group of institutions which includes the iconic Ganapathy High School, a Pre-University College in Mangaluru, Parijnan College of Science & Commerce and the newly -begun Primary school- Parijnanashram Vidyalaya at Kotekar, near Mangaluru.
- 3. Guruprasad Education Society, Mallapur** : Manages the Guruprasad High School in Mallapur
- 4. Shree Trust, Mumbai** : Manages the Swami Parijnansharam Education and Vocational Centre. This is a Special School in **Virar, Mumbai** focusing on tailor-made education for the differently abled (both physical and mental) **and** continues to do exemplary work as always.
- 5. Karla Education Trust, Karla** : Manages the Parijnanashram Vidyalaya at Karla in Maharashtra.

Anandashram Vidyalaya - a primary school (Kindergarten to 7th Standard/Grade) in **Shirali** is run by the Karnataka Education Department with assistance from Shri Chitrapur Math and is one of the feeder schools to Srivali High School.

Whilst Donations are required for the Schools managed by Trusts associated with Shri Chitrapur Math, both **Saraswat Education Society** and the **Karla Education Trust** are in the midst of expanding the operations of the Institutions under their respective management and the cumulative Capital outlay for these expansion Projects are approx US\$ 5 million.
