

Srivali High School[®]
Annual Report
for the
Academic Year 2020-21

Nurturing the future of rural India....Our Children, India's Future !

Dear Sponsors, Supporters and Well-Wishers of Srīvalī High School,

Jai Shaṅkar!

Further to my communication in the previous year's Annual report, I write to you at a time when the entire world is going through a renewed upheaval due to the resurgent coronavirus pandemic. The functioning of your school was and still is severely affected.

The School was closed with effect from 23rd March 2020, in view of the strict lockdown. After a long period of the pandemic it seemed that, with the vaccines becoming available, matters would start improving, especially since administering the vaccines to the designated group of citizens had commenced in right earnest. However, even as I write to you, there has been a resurgence of the pandemic with newer and deadlier strains of the mutated virus infecting thousands in India. Schools which had re-opened in January 2021 have once again been affected with closure of classes up to the 9th standard.

The 10th standard students alone have been allowed to attend school. No examinations are proposed to be held except for the SSLC Board examinations. With the 2nd wave of the pandemic upon us, it is not certain when these exams will be held.

Despite the severe gloom over the pandemic and despite the school having been closed for the better part of the year, the Academic Year 2020-21 has been a highly inspiring one for all of us at Srīvalī School... the students, teachers, the administration and the trustees.

“It should not matter how slowly some children learn, as long as we are encouraging them not to stop” – Robert John Meehan

In keeping with the spirit of this quote, our school teachers participated whole-heartedly in the Vidyāgama programme introduced by the Karnāṭaka Government, whereby school students and teachers were encouraged to meet, periodically, at a common place and interact. Since the schools were closed, this program provided an opportunity for the teachers to interact with the students, teach them, clarify their doubts and encourage the students to study at home through homework and other assignments. In the absence of a suitable space and with requisite permissions from the authorities, our school conducted this programme at the school premises itself.

We are extremely grateful to have received funds from our munificent donors - Kulkarṇī Foundation of USA, the Chitrāpur Heritage Foundation of USA, Ms. Uchil Ashwinī Uday and numerous other sponsors. We sincerely look forward to a continued and enhanced level of such financial support.

We have an outstanding team of people working hard to make sure that Srīvalī High School becomes one of the top schools at the District- level and we have complete confidence that this will be achieved in the coming years.

I would like to take this opportunity to thank all my colleagues on the Board of Trustees, the Sponsors and Donors, the School Administration and the Senior Leadership team for their unstinted support and above all, Parama Pūjya Sadyojāt Shaṅkarāshram Swāmījī for His continuous Guidance and Blessings.

With warm personal regards,

Praveṇ Kaṭṭē

Annual Report 2020 - 2021

A) Governance

Our Vision

To be an educational institution serving the rural community by focusing on supporting children in and around Shirālī, to enable them realise their potential, to inculcate an appetite for continuous learning and to forever nurture an enquiring mind.

Our Mission

To provide a unique environment that takes young children through an integrated and developmental approach to education and through meaningful student- engagement in learning, developing interpersonal and intrapersonal physical and cognitive competency empowers young adults to lead purposeful, fulfilling lives.

Our Motto

Be inspired... Get connected...Make a difference!

Our Student Vision

Our hopes and dreams for our students' future are that each one of them can

- Use creative, innovative and critical thinking to make a difference.
- Have an open and enquiring mind.
- Use their passions, talents and skill to create a future that excites them and contributes positively to society at large.
- See the adventure, opportunity, connections and possibilities in life.
- Act with respect towards themselves, others and the world at large.
- Create their own financial independence in win/-win ways.
- Turn dreams and ideas into reality.
- Accept life's challenges with a resilient and flexible attitude.
- Create a happy and healthy life- balance.
- Communicate with maturity, openness and integrity.

Our Sustained Action

At Srīvalī School, we strive to strengthen each child to successfully meet life's challenges in their academic or extra-curricular spheres. We also try to mitigate to the best extent possible, financial constraints through free education, free uniforms, free books and free mid-day meals.

Thus, one of the annual challenges we face is to ensure that every single child in the school is sponsored through donations. Substantial funds are also required for the maintenance of the existing school premises and to meet the future requirements of the school.

Administration :

Members of the School Administrative Committee

1. Shrī Prashānt Kombrabail
2. Smt Shakuntalā Katre
3. Shrī Nārāyaṇ Mallāpur
4. Shrī Murlidhar Prabhu
5. Shrī Bhavānīshaṅkar Kailāje

B) Performance

Recap

- The school was closed from 23rd March, 2020 due to the raging pandemic.
- Exams for the 8th and 9th standards, for 2019-20 , could not be held due to the lockdown and as per the Directions from the Board of Education, students were promoted to the next standard on basis of Students Achievements Tracking System (SATS) – this is the internal assessment of the students' performance during the academic year.
- The SSLC Board exams for 2019-20 were held from 25th June to 3rd July, 2020.
- A very successful year for the school. Our school has retained its position as one of the leading schools in the Uttara Kannaḍa District.
- **Despite the uncertainties due to the pandemic the school has achieved an impressive 95.68% pass rate in the SSLC Board Examination for 2019-'20 as compared to 97.27% in 2018-'19.**

During the current Academic Year

- Even as uncertainty prevailed over the re-opening of schools due to the Covid-19 pandemic, the Karnāṭaka State, in the absence of physical classes, has introduced a new teaching/learning mode named Vidyāgama. This mode is primarily for those students who do not have reliable access to internet nor have facilities to participate in online classes.

- As per the scheme, the teachers, who had been hitherto asked to Work from Home, were required to come to the schools, sign the attendance register and then go to meet the students at select points close to their (students') place of stay and engage them in academic activities. For the sake of convenience and after obtaining approvals from the authorities, the Vidyāgama scheme in our school was held in the school premises.
- As per the concept, the teachers after virtually engaging the children and their parents, ask the children to gather in batches of 10 to 15 at a suitable location. All the children are asked to wear face masks, undergo thermal screening and maintain physical distancing. After the children assemble at the informed time, the teachers visit the spot and engage them in academic activities at least for two hours a day, teaching them common subjects such as science, mathematics, social science and English.
- Vidyāgama 1st phase started from August 2020 to December 2020.
- Vidyāgama 2nd phase started from January 2021 to 14th February, 2021.
- During Vidyāgama the school conducted FA-1, FA-2 (Formative assessment) and SA-1 (Summative Assessment) Examination for our students.
- Schools re-opened from 1st January, 2021 and from 15.02.2021 the school conducted full- day class for 8th and 9th standard students.

- The Karnāṭaka Education Board, Bangalore has announced that the S.S.L.C. Exam will be held from 21st June to 5th July, 2021.
The Karnāṭaka S.S.L.C. Exam time- table 2020-21 is as follows:
Date Subject
21.06.2021 Kannaḍa
24.06.2021 Maths
28.06.2021 Science
30.06.2021 Hindi
02.07.2021 English
05.07.2021 Social Science
- The school students are already preparing earnestly for the upcoming S.S.L.C. board exam.

The 8th and 9th standard students have already participated in learning activities during Vidyāgama in our school.

- The Covid-19 warriors, which include the police and healthcare personnel, have been the front runners in this battle. But one category of warriors which also need to be acknowledged is - the teachers. Teachers had to tackle multiple issues right from getting accustomed to new teaching technologies to ensuring that the expected learning outcome from the students is met. It is time for us to recognise the hard work put in by the teaching community.

Resurgent Pandemic in 2021

- As per the latest Government order on 3rd April 2021, classes for 6th to 9th students have been closed again due to the resurgent pandemic.
- The future educational progress and promotion of students depends on the decision taken by the Education Department and the Government. Our school is awaiting the Government's decision.
- In all the chaos amidst the pandemic, our teachers helmed by the school headmistress have put in immense efforts to impart subject-wise lessons to the students keeping within the guidelines of social distancing and other norms. We owe a big thank-you to all our teachers who are no less than the other Corona Warriors !

C) Details of students on the rolls of the school

Number of students in the 8th, 9th and 10th Standard :- 2019-20

Class	Boys	Girls	Total
8 th	49	69	118
9 th	67	70	137
10 th	72	55	127
Total	188	194	382

D) Our school's performance at the SSLC Exams for the past six years

The performance has consistently been above 90% and also above both the District and State average.

Class	2013-'14	2014-'15	2015-'16	2016-'17	2017-'18	2018-'19	2019-'20
Distinction	16	12	20	23	23	6	17
1 st Class	61	68	68	70	67	81	81
2 nd Class	17	19	7	8	18	16	13
Pass Class	6	2	7	-	2	4	0
Total Students	100	101	102	101	110	107	116
Percentage	100%	100%	97.94%	92.66%	95.6%	97.27%	95.68%

E) Activities during the current Academic Year

Academic :

- On 10th September, 2020 our H.M. attended the Tāluk- level H.M. Meet at N.E.S. Bhaṭkal. Here, the matter of academic performance was discussed and the participants were specially trained on the safety precautions to be taken vis-a-vis Covid-19.
- The school conducted PTA for SSLC students to discuss the Vidyāgama learning process on 14th September.
- On 18th September a school-level IT quiz competition was conducted for selected students by forming 7 teams of 2 students each.
- The 9th Standard PTA meeting was held on 18th September to discuss the Vidyāgama learning process.
- On 21st September the First Formative Assessment was conducted for SSLC students. As per the schedule of the Vidyāgama learning process, each teacher conducted the 1st Formative Assessment of the students in their respective subjects ..
- On 31st December the parents and teachers meeting for S.S.L.C. students was held.
- During this meeting the opinion of parents regarding opening of the school on 1st January 2021 was sought and the precautionary measures that would be taken against Covid-19 were spelt out. The headmistress updated parents on the instructions for reopening of the school received from the Education Department.
- The School re-opened on 1st January 2021 prior to which the support staff cleaned the entire school premises and decorated the school premises with garlands and raṅgoli-s. Whilst welcoming our students adequate care was taken to ensure social distance, thermal scanning and sanitizing.
- A meeting of the parents of 8th Standard students was held on 6th February, 2021 and discussions were held about the school re-opening, precautions of Covid-19 and rules and regulations of our school.
- A parents' meeting of the SSLC students was held on 11th February and the discussions revolved around the students' progress.

- From 08-03-2021 to 15-03-2021 a summative assessment exam for 8th and 9th standard students was conducted and on the same day the semester exam for 10th standard students was also held.

Extra -Curricular Activities

- On 1st October 2020 Srī Harīsh Hānde (a scientist from Udupī) and his team visited our school. They watched the co- curricular activities of the school and expressed their appreciation.
- The Bhaṭkal Tāluk- level Essay competition was held on 12th December at Nāgayākṣhe Sabhā Bhavan under the *Bhagavad-Gīta Abhiyāna*. Our student Deepā Rājesh Āchāry secured 2nd prize and has been selected for the District- level competition
- An online *Kalostava* Competition was held by the Education Department on 15th December, 2020. Deepā Rājesh Āchāry and Kavita B. Bhat of our school, participated in the traditional dance and traditional music competitions, respectively.
- On the same day, on the occasion of the National voters' day celebration, various online competitions such as quiz, drawing, folk song and dance were held. In this competition Harṣhitā Masti Naik got the 3rd prize in essay writing and in the drawing competition - Harṣhitā Lakshman Moger got the 3rd prize.
- On 24th March, 2021 with the co-operation of the Zillā Panchāyat Kārwar, *Swacha-Bhārat Abhiyān* and Scodwes Institution a debating competition was conducted to create awareness among the school students regarding water and its purity. This competition was held at BRC, Bhaṭkal. In this competition, our students Aishwaryā M Naik and Harṣhitā M. Naik got 1st and 2nd place respectively and got selected to the next level.
- On 31st March, 2021 the District- level debate competition was conducted at the Government High School Kumṭā. Our students Aishwaryā M Naik and Harṣhitā M Naik participated.

General Activities of the School

- On 23rd September our Head Master attended Tāluk level H.M. meeting at B.E.O. office Bhaṭkal
- On 2nd October, 2020 the School celebrated Gāndhī Jayantī and Lāl Bahādur Shāstrī Jayantī at the school.
- On 3rd October, 2020, our Head Mistress, Smt. Mamatā Bhaṭkal attended BEO H.M. meeting at Ānandāshram High School, Bhaṭkal.
- Dasara vacation was declared from 12/10/2020 to 30/10/2020 by the Education Department.
- On 21st October - Vijayadashamī, the school teachers and staff performed Sharada *pujā* and *Ganahoma* at our school.
- On 31st October the school celebrated Vālmīki Jayantī.
- Kannaḍa Rajyotsava was celebrated on 1st November, 2020 at our school.
- On 6th November the 1st Tāluk- level workshop for Social Science was conducted at NES Bhaṭkal. Our Social Science teacher Srī Nārāyaṇ Naik attended this workshop.
- Likewise, on 9th November, 2020, the 1st workshop, at the Tālukā- level, on the English language was conducted at NES, Bhaṭkal. Our English Teacher Mrs. Trivenī Naik participated in this workshop.

- On 10th November the 1st workshop on Kannada language was conducted at Janatā Vidyālaya, Shirālī. In this workshop our school Head- mistress Smt.Mamatā Bhaṭkal participated.
- On the same day the 1st workshop on mathematics was conducted at KPS Ternamakkī High School. Our S.S.L.C. mathematics teacher Srī Shrīdhar Naik participated.
- On 11th November the Science-subject workshop was conducted at Vishwabhāratī High School, Belke. In this workshop our school S.S.L.C. science teacher Srī Ashok Naik participated and on the same day the 1st Hindi -subject workshop was conducted at NES, Bhaṭkal . Our Hindi teacher Smt. Kanchana Mesta attended.
- On account of National Unity Day, on 19th November all our teachers participated by taking an Oath of Unity.
- On the 23rd November, the 2nd workshop for English was conducted at Vidyabhāratī English Medium School Bhaṭkal. In this workshop our S.S.L.C. English teacher Smt. Trivenī Naik participated.
- On the same day, the Taluk- level 2nd workshop for Social Science was conducted at Ānandāshram High School, Bhaṭkal. In this workshop our school S.S.L.C. Social Science teacher Srī Narāyaṇ Naik participated.
- On the same day our Social Science teacher Srī Narāyaṇ Naik was also honored by ‘The Social Science Teacher Association’ of Bhaṭkal for achieving 100% result in Social Science during the SSLC exam of the academic year 2019-20.
- Likewise, on the same day, a meeting of B.E.O. and H.M. of all the Tālukā Schools was held at NES Bhaṭkal. In this meeting our school head- mistress Smt. Mamatā Bhaṭkal participated.
- The 2nd workshop on the Subject of Mathematics was Conducted at KPS Ternamakkī High School on 24th November 2020. In this workshop our school S.S.L.C. Mathematics Teacher Srī Shrīdhar Naik participated.
- On the same day, the 2nd workshop for Hindi was conducted at the premises of the Siddhārtha English Medium School. In this workshop, the Hindi Teacher of our school - Smt. Kānchana Mesta participated.
- On the 26th November, 2020 the students who had passed the S.S.L.C. Exam 2019-20 from Govt Schools and had secured the highest Marks at the Tālukā- level were felicitated and awarded with a laptop, a bag and a certificate. This programme was conducted in our school auditorium. The programme was attended by Mr. Devīdās Moger -respected B.E.O. of Bhaṭkal, Srī Sunīl Naik -the M.L.A. for Bhaṭkal and Mr. P.T.Chawhān- President of the Kannada Teachers’ Association Bhaṭkal and Smt. Mamatā Bhaṭkal, head -mistress of our School.
- The Science subject- workshop was conducted on 28th November at the K.P.S. High School Ternmakkī and our S.S.L.C. science teacher Srī Ashok Naik participated.
- Kanakadasa Jayantī was celebrated on 3rd December,2020 along with our staff members in our school .
- On 8th December an essay competition was organized by the Health Department of Bhaṭkal under the title of Āyushmān Bhārat Ārogya Karnāṭaka. The winner of this competition received the award from Shrī Irayya Devaḍiga.
- On 6th January, 2021, the Khelo- India physical fitness workshop of the Central Government was held at NES Bhaṭkal. In this workshop our school physical education teacher Srī Vāsudev S. Poojārī participated.

- The school conducted the 2nd Formative Assessment Test for 10th Standard students on 8th January, 2021
- On 12th January, 2021 Shri Shaṅkar Bhat from Shri Chitrāpur Math visited our school to check the Covid-19 precautionary measures for the school function.
- On 13th January, 2021 all the 10th Std. students of our school were administered the T.T. injection by the Tāluk Health Department, Bhaṭkal
- The NTSE (National Talent Search Exam) exam was held on 25th January at IAUHS at Bhaṭkal. In this exam 11 students from our school participated.
- On the same day, our school also celebrated National Girl Child Day. Mr. Yogesh Naik of the Grām Panchāyat, Shirālī visited and he shared his views on the National Girl Child Day and we conducted some competitions and games for our students such as drawing, musical chairs and others.
- On 26th January the school celebrated Republic Day with the support of our staff and a few interested students.
- The DDPI and H.M. meeting was held at NES Bhaṭkal on the 27th January, 2021. This meeting was attended by our school Head Mistress Smt. Mamatā Bhaṭkal.
- On 9th February Varna Talgerī and Vandanā Talgerī visited our school and observed and praised our schools co-curricular activities.
- Mrs. Mamatā Bhaṭkal (H.M.) attended the H.M. and BEO meeting at NES, Bhaṭkal held on 12th February, 2021.
- On 13th February our Mathematics teacher Sri Shriḍhar Naik attended the Mathematics Workshop at JVS, Murdeshwar.
- On 22nd February, with the co-operation of the Zillā Panchāyat, Swach-Bhārat Abhiyān and Scodwes Institution, a debating competition was conducted to create awareness among the students regarding water and its purity, and school cleanliness. In this competition our students Aishwaryā M Naik, Harshitā M Naik and Deepā R Āchary secured 1st, 2nd and 3rd place respectively.
- On 25th February our Social Science teacher Sri Narāyan Naik attended the Tāluk -level Social Science workshop at Vidyabhāratī High School, Bhaṭkal. On the same day the Kannaḍa language workshop was conducted at our school and our H.M. attended this workshop
- Our teacher Mrs. Kanchanā Mesta attended the Hindi language workshop held at Vishwa Bhāratī High School, Bengre on 27th February.
- On 1st March our teacher Mrs. Trivenī Naik attended the English language workshop at St. Thomas English Medium School, Shirālī.
- The BEO and H.M. meeting was held at BEO office, Bhaṭkal on 3rd March and was attended by our school head -mistress Smt. Mamatā Bhaṭkal.
- On 17th March, another workshop on English was conducted at B.R.C., Bhaṭkal and was attended by our English teacher Smt. Trivenī Naik. On the same day a Social Science workshop was conducted at Sonarkerī High School Bhaṭkal and was attended by our Social Science teacher Sri Nārayan Naik.
- On 22nd March the Yuvaspandana Association, Kārwar conducted an awareness programme at our school. Our 9th and 10th Std. students attended and found it to be very beneficial. Kum. Latā Devaḍiga guided the students on the issues of personal and mental problems.

Vocational Training Centre

- Due to the Covid-19 pandemic the activities of the Vocational Training Centre remained suspended for the entire year.
- It is hoped that the activities can commence in the forthcoming academic year 2021-22.

Proposed Vocational Training Institute

Since the year 2016, with the Blessings of Parama Pūjya Swāmījī, the Trustees of Srīvalī Trust have been exploring the prospects of commencing a Vocational Training Institute in Srīvalī High School so that the students of the school and others who prefer to opt for job- oriented vocational training will have sufficient avenues to pursue their career.

In 2017, Shrī Harin Haṭṭaṅgaḍy approached Swāmījī with his proposal to commence a basic vocational skills training centre in the school and Parama Pūjya Swāmījī immediately gave the go-ahead to commence the Vocational Skills Training Centre.

Thus, on 1st July, 2017 Parama Pūjya Swāmījī inaugurated the Vocational Training Centre housed in the existing school premises. This centre has been performing very well ever since.

The Trustees were also on the look-out for availability of suitable premises, both to set up a full -fledged Vocational Training Institute and to cater to the growing needs of the School.

Towards the end of 2017, the Trust identified a very suitable and convenient plot of land comprising 19 guṇṭa-s and having a building already constructed on the plot, right next to the existing School premises. This was owned by Smt Shyāmalā Pombhatmajal.

Upon approaching Smt.Shyāmalā Pombhatmajal pāchī, she immediately evinced interest in selling the plot and the infrastructure on the plot to Srīvalī Trust and a fair price of Rs.1.5 crores was negotiated. After due diligence and completion of related formalities, the property was acquired by your Trust in 2020, thanks to a generous grant for the entire amount from the Kulkarṇī Foundation, USA.

The Kulkarṇī Foundation, USA, so devotedly supportive of our school since its inception, when informed about the proposed project, immediately evinced interest in sponsoring the entire cost of the project (acquiring the land and infrastructure and renovation of the building) and has already remitted funds to the tune of approx. Rs 1.47 crores (USD 200000). Another 50 lakhs sought from the Kulkarṇī Foundation for renovation of the existing building will be sent by them soon.

The Board of Trustees would like to place on record their gratitude to the Kulkarṇī Foundation for their consistent support to the school .Without their generous donation it would have been difficult for Srīvalī Trust to implement this project.

As per the new Education Policy of the Central Government (NEP 2020), emphasis has to be laid on Skill Development courses to be implemented in schools starting from 6th Standard. We will

have to implement this in our School too. To quote “NEP 2020 recognizes that the vocational education is perceived to be inferior to mainstream education. Hence, this policy aims to overcome the social status hierarchy associated with vocational education and requires integration of vocational education programmes into mainstream education in all education institutions in a phased manner. **Towards this, secondary schools will also collaborate with ITIs, polytechnics, local industry, etc. Skill labs will also be set up and created in the schools** in a hub and spoke model which will allow other schools to use the facility.”

NEP has also mandated vocational education in the early stage of education with the introduction of fun **courses in Standards 6–8 and later** giving opportunities to students to develop further through **vocational courses in Standards 9–12 and higher vocational education.**

Sriwali High School has a great head start with regard to providing vocation-related fun-courses, with the Vocational Skills Training Centre set up since 2017-18 already providing such courses to students in the 8th and 9th Standards in carpentry, basics of plumbing and electrical fittings. The school also has a very good Art Class, which can be one of the multi- disciplinary approaches recommended under the NEP.

Currently CBSE Curriculum offers a range of 38 skill courses for students from the 6th to 12th Standards and if adopted by the State Government, Sriwali School will also need to include these courses as elective subjects.

The Trust is awaiting the final guidelines for implementation, from the State Government, for the vocational training institute with the aim of commencing operations by the academic year 2022. The **suggested** implementation plan NEP-2020, by the Karnataka Govt has recommended that there should be no hard separation of curricular, co-curricular or extra-curricular areas and also the integration of vocational and academic streams---each subject will have an equal status. The State Government guidelines for implementation, are expected to also cover the transition proposal for moving to English as the medium of instruction from the existing Kannaḍa medium.

The Sriwali Trust proposes to take the following steps immediately, upon getting State Govt. guidelines on the transition process:

ON THE ACADEMIC / PEDAGOGY FRONT:

Appoint an Advisory Board or an Academic Advisor, to guide as well as oversee the process of transition-

- Increase English language content from the 9th Standard onwards in stages, in order to move to English as the medium of instruction.
- Schedule and implement teacher re-training / pedagogy, both for language skills and to develop core competence in students in order to face the new Board exams.
- Recruitment of teachers with required skills to teach the 11th and 12th Standards.
- Recruitment of a Principal, if required.
- Co-ordinate with the Vocational Education Team to introduce Elective Vocational courses, recruit teachers with requisite skills and introduce the pedagogy required for these courses.

ON THE VOCATIONAL EDUCATION FRONT:

Appoint an Advisor – Vocational Education, to guide and support the Head Mistress/ Principal., who will-

- Co-ordinate with the Internal Vocational Training Group already set up.
- Identify, from the following sources, the most relevant Vocational Courses (which have the potential for further Certification / Diploma and Under- Graduate Courses.) to be made available as Elective subject for Standards 9, 10, 11 and 12.
 - a) Base Courses from the CBSE Curriculum, which are already designed and likely to be adopted by the NCERT.
 - b) Work done so far by the Internal Vocational Training Group. A short list of courses have been identified by this group.
 - c) Skill Gap Study conducted by NSDC.
 - d) Interactions with the industry and service sectors who may wish to set up special training facilities and offer placement.

The capital equipment and space requirements for the identified /shortlisted vocational courses will be worked out and funds to implement the same will then need to be raised.

With your continued support, the future promises to be a truly exciting and meaningful experience for the students of Sriwali Trust.

Awareness programme by Yuvā Spandana Association of Kārwar on personal and mental problems

With the co-operation of Zillā Panchāyat Kārwar, Swachha- Bhārat Abhiyāna and Scodwes Institution a debate competition was conducted to create awareness among school students regarding water and its purity. This competition was held at BRC, Bhaṭkal. In this competition our students Aishwaryā M Nāik got 1st place and Harshitā M. Naik got 2nd place respectively, won prizes and got selected to compete for the next level.

Safety Masks: The Proper Model And Fit

When it comes to protecting your lungs from wildfire smoke, not all masks are created equal, and how you wear them also matters. N95 masks are made from flat mats of very fine fibers that collect airborne particles. These masks are designed to filter out 95 percent of small particulate matter 2.5 microns or less in diameter – a size so small you can't see it with the naked eye. That's smaller than the thinnest human hair, about 16 microns in diameter.

Do not cross the straps. The mask should have two straps: one goes over your ear, the other goes under. It works best on a clean-shaven face. Pinch the metal piece on the mask to snugly fit your nose. Look for "N95," "N95N" or "FF100" printed on your mask. The mask should fit snugly to your face. The mask should fit over your nose and under your chin.

These types of masks will **NOT** protect you from wildfire smoke:

- Masks with only one strap.
- Surgical masks, or masks with straps that loop over the ears.
- Bandanas, or tissues held over the mouth and nose, even if wet.

Dear All, please observe all the precautions prescribed to keep the virus at bay in your lives. Stay Safe. Stay Positive!

AN APPEAL

To Educate a Child is to turn Walls into Doors

“I have found that among its other benefits, charity liberates the soul of the givers”

– Maya Angelou

Srivali High School provides free education to ALL the children, besides providing School Uniforms, Books (both Text books and Notebooks) and a nutritious Mid-Day Meal, all free of cost.

Due to escalating expenses, the cost of educating a student for one academic year is US\$ 250/- or Rs.15,000/- per year and for 3 years, for the entire High School period i.e. Standards 8th, 9th and 10th, the cost is US\$ 750/- or Rs. 45,000/-. One may sponsor as many students as one desires and remit the cost of sponsorship - by multiplying the cost per student, per year, with the number of students and the number of years for which one wishes to sponsor.

Donations may be made by way of Demand Draft / Cheque in favor of “Srivali Trust”, payable at Shirali and mailed to:

Srivali Trust,
c/o Shri Chitrapur Math,
Shirali, Uttar Kannada District,
Karnataka, 581354
INDIA.

Please see the “Donor’s Direction Letter” format on the next page which should accompany your Cheque / Demand Draft, alongwith a self- attested copy of your Passport (for NRIs/Foreign Passport holders) and a self- attested copy of your Pan Card (for Resident Indians).

Donors with foreign passports who wish to support this noble cause are requested to contact the Donor Facilitation Cell at scm.donor.cell@gmail.com for further details.

Thank you,
Yours faithfully,

Trusts affiliated to Shrī Chitrāpur Math carrying out Charitable Activity in the Educational Field include:

1. **Srīvalī Trust, Shirālī** : Manages the Srīvalī High School.
2. **Sāraswat Education Society, Maṅgaūru** : Manages the Gaṇapathy High School group of institutions which includes the iconic Gaṇapathy High School, a Pre-University College in Maṅgaūru, Parijñān College of Science & Commerce and the newly-begun Primary school- Parijñān Vidyalay at Koṭekar, near Maṅgaūru.
3. **Guruprasād Education Society, Mallāpur** : Manages the Guruprasād High School in Mallāpur.
4. **Shree Trust, Mumbaī** : Manages the Swāmī Parijñānāsharam Education and Vocational Centre. This is a Special School in **Virār, Mumbaī** focusing on tailor-made education for the differently abled (both physical and mental) and it continues to do exemplary work, as always.
5. **Kārlā Education Trust, Kārlā** : Manages the Parijñānāshram Vidyālaya at Kārlā in Mahārashṭra.

Ānandāshram Vidyālaya - a primary school (Kindergarten to 7th Standard/Grade) in **Shirālī** is run by the Karnāṭaka Education Department with assistance from Shrī Chitrāpur Math and is one of the feeder schools to Srīvalī High School.

While Donations are required for all the schools managed by Trusts associated with Shrī Chitrāpur Math, both Sāraswat Education Society and the Kārlā Education Trust are in the midst of expanding the operations of the Institutions under their respective management and the cumulative capital outlay for these expansion projects are approximately US\$ 5 million.
