Annual Report for the
Academic Year 2021-22

Dear Sponsors, Supporters and Well-Wishers of Srīvalī High School,

Jai Shaṅkar!

Further to my communication in the 2020-2021 Annual report, I now write to you at a time when India and the rest of the world is limping out of the shadows of the Covid Pandemic. The functioning of your school was largely affected during the academic year 2021-2022.

Schools which had re-opened in January 2021 were again closed for classes up to the 9th standard in view of the 2nd wave of the pandemic. The 10th standard students alone were allowed to attend school. No examinations are proposed to be held except for the SSLC Board examinations.

Despite the severe gloom over the pandemic and despite the school having been closed for the better part of the year, the Academic Year 2021-22 has been a highly inspiring one for all of us at Srīvalī High School... the Students, Teachers, the Administration and the Trustees.

“One child, one teacher, one pen, and one book can change the world.” Malala Yousafzai

In keeping with the spirit of this quote, our school teachers continued to participate whole-heartedly in the Vidyāgama programme introduced by the Karnāṭaka Government, whereby school students and teachers were encouraged to congregate, periodically, at a common place and interact. Since the schools were closed, this programme provided an opportunity for the teachers to interact with the students, teach them, clarify their doubts and encourage the students to study at home through homework and other assignments. In the absence of a suitable space and with requisite permissions from the authorities, our school conducted this programme at the school premises itself.

We are extremely grateful to have received funds from our munificent donors in the year 2021-2022 - The Chitrāpur Heritage Foundation of USA, Koṅkaṇī Charitable Fund Inc, Ashra Charitable Fund Inc and the **Yuvā-s** of Sāraswat Samāḷ of UK who conducted a trek in the UK and raised funds to sponsor the setting up of two Smart Rooms in the School as well as to purchase an excellent quality printer. We also thank the numerous individual donors who have supported the School, among them- Shrī Gurudās Laxmīnārāyaṇ Bailūr. We sincerely look forward to a continued and enhanced level of such financial support for this worthy cause.

We have an outstanding team of people working very hard to make sure that Srīvalī High School remains one of the top schools at the District- level and we have complete confidence that this will continue in the coming years.

I would like to take this opportunity to thank all my colleagues on the Board of Trustees, the Sponsors and Donors, the School Administration and the Senior Leadership team for their unstinted support and above all, H.H. Shrīmat Sadyojāt Shaṅkarāshram Swāmījī for His continuous Grace and Blessings.

With warm personal regards,

Praveeṇ Kaḍīe

Annual Report 2021 - 2022

A) Governance

Our Vision

Our vision is to be an educational institution serving the rural community by focusing on supporting children in and around Shirālī and empowering them to develop into well- rounded, confident and responsible individuals who aspire to achieve their full potential. We will do this by providing a welcoming, happy, safe, and supportive learning environment in which everyone is equal and all achievements are celebrated.

Our Mission

Our Mission is to provide high-quality education and childcare in a safe, respectful and inclusive environment that builds a foundation for life-long learning and to empower children so that they can work towards leading purposeful, fulfilling lives.

Our Motto

Be inspired....Inspire others....Sustain connection...Make a difference!

Our Student Vision

Our hopes and dreams for our students' future are that each one of them can

- Use creative, innovative and critical thinking to make a difference.
- Have an open and enquiring mind.
- Use their passions, talents and skill to create a future that excites them and contributes positively to society at large.
- See the adventure, opportunity, connections and possibilities in life.
- Act with respect towards themselves, others and the world at large.
- Create their own financial independence in win/-win ways.
- Turn dreams and ideas into reality.
- Accept life's challenges with a resilient and flexible attitude.
- Create a happy and healthy life- work balance.
- Communicate with maturity, openness and integrity.

Our Sustained Action

At Srīvalī School, we strive to strengthen each child to successfully meet life's challenges in their academic or extra- curricular spheres. We also try to mitigate, to the best extent possible, financial constraints through free education, free uniforms, free books and free mid-day meals. Thus, one of the annual challenges we face is to ensure that every single child in the school is sponsored through donations. Substantial funds are also required for the maintenance of the existing school premises and to meet the future requirements of the school.

School Administration :

With the Blessings of H.H. Swāmījī, the School Administrative Committee has been revamped and the Members of the School Administrative Committee are -

1. Prakāsh Haṭṭaṅgaḍī (Trustee – Srīvalī Trust)
2. Nārāyaṇ Mallāpur (General Manager – SCM)
3. Āṭekaī Rāmchandra Rāo (Educationist)
4. Murali Prabhū (Educationist)
5. D.J. Kamath (local Businessman)
6. Rām Rath (Principal of Janatā Vidyālaya – Shīralī)
7. Sūraj Baīwālī (Dy Gen Manager – SCM)
8. Gurunandan Baidūr (Dy Gen Manager – SCM)

Online Classes during the Pandemic

B) Performance

Recap

- The school was closed from 23rd March, 2020 due to the raging pandemic.
- **Despite the uncertainties due to the pandemic the school has achieved an impressive 95.68% pass rate in the SSLC Board Examination for 2019-'20 as compared to 97.27% in 2018-'19.**

During the current Academic Year

- Even as uncertainty prevailed over the re-opening of schools due to the Covid-19 pandemic, the Karnāṭaka State, in the absence of physical classes, introduced a new teaching/learning mode named Vidyāgama. This mode is primarily for those students who do not have reliable access to internet, nor have facilities to participate in online classes.
 - As per the scheme, the teachers, who had been hitherto asked to Work from Home, were required to come to the schools, sign the attendance register and then go to meet the students at select points close to their (students') place of stay and engage them in academic activities. For the sake of convenience and after obtaining approvals from the authorities, the Vidyāgama scheme in our school was held in the school premises.
 - As per the concept, the teachers after virtually engaging the children and their parents, ask the children to gather in batches of 10 to 15 at a suitable location. All the children are asked to wear face masks, undergo thermal screening and maintain physical distancing. After the

children assemble at the informed time, the teachers visit the spot and engage them in academic activities at least for two hours a day, teaching them common subjects such as science, mathematics, social science and English.

- Vidyāgama 1st phase was from August 2020 to December 2020.
- Vidyāgama 2nd phase was from January 2021 to 14th February, 2021.
- During Vidyāgama the school conducted FA-1, FA-2 (Formative assessment) and SA-1 (Summative Assessment) Examination for our students.
- Schools re-opened from 1st January, 2021 and from 15th February, 2021 the school conducted full- day class for 8th and 9th standard students.

Resurgent Pandemic in 2021

- In April 2021, all schools for 6th to 9th students were closed again due to the resurgent pandemic.
- In all the chaos amidst the pandemic, our teachers, helmed by the school headmistress, put in immense efforts to impart subject -wise lessons to the students keeping within the guidelines of social distancing and other norms. We owe a very big thank-you to all our teachers who are no less than the other Corona Warriors !
- On 23rd August, 2021 the school re opened for the 9th and 10th std and finally on 6th September, 2021 it
- Reopened for the 8th std students
- As per the Education Department's guidelines the school is conducting 9th and 10th std classes for half a day (morning time only) and 8th std classes in the afternoon.
- As per the rules of the government, the School followed the SOP. Students are required to carry their water bottle with hot water, maintain social distance, not share any text books or notebooks, wear a clean mask - these instructions have been made compulsory to the students while coming to school. Seating allotments were made maintaining 6-foot distance between any 2 students(the length of a desk and bench is 6ft).
- Following the Education Department's guidelines the health condition of each student was monitored
- Due to COVID-19 no mid- day meals were served in school.

Vocational Training Centre

1. Due to the Covid-19 pandemic the activities of the Vocational Training Centre remained suspended for two years.
2. The school is happy to inform everyone that, after two years, the Vocational Training sessions have resumed in Srīvalī High School since May 30, 2022.
3. So far 49 students of class 9 have enrolled, of which 17 are girls and 32 are boys.
4. The Vocational Training Centre will begin enrolling class 8 students in the coming weeks and hopes to arrive at the total of 96 children by mid -June.

The NEP 2020 policy aims at integrating vocational education programmes into mainstream education in all education institutions in a phased manner. Towards this, secondary schools will also collaborate with ITIs, polytechnics, local industry, etc. Skill- labs will also be set up and created in the schools in a hub and spoke model which will allow other schools also to use the facility.

The Srīvalī Trust is still awaiting the final guidelines for implementation of the NEP policy, from the State Government, for the vocational training institute. The suggested implementation plan NEP-2020, by the Karnāṭaka Govt has recommended that there should be no hard separation of curricular, co-curricular or extra- curricular areas and that there should also be integration of vocational and academic streams- so that each subject will have an equal status. The State Govt. guidelines for implementation, are expected to also cover the transition proposal for moving to English as the medium of instruction from the existing Kannaḍa medium.

AN APPEAL

Success isn't about how much money you make, it's about the difference you make in people's lives - Michelle Obama

Sriwali High School provides free education to ALL the children, besides providing School Uniforms, Books (both Text books and Notebooks) and a nutritious Mid-Day Meal, all free of cost.

Due to escalating expenses, the cost of educating a student for one academic year is US\$ 250/- or Rs.15,000/- per year and for 3 years, for the entire High School period i.e. Standards 8th, 9th and 10th, the cost is US\$ 750/- or Rs. 45,000/-. One may sponsor as many students as one desires and remit the cost of sponsorship - by multiplying the cost per student, per year, with the number of students and the number of years for which one wishes to sponsor.

Trusts affiliated to Shri Chitrapur Math carrying out Charitable Activity in the Educational Field include:

1. **Sriwali Trust, Shirali** : Manages the Sriwali High School.
2. **Saraswat Education Society, Mangaluru** : Manages the Ganapathy High School group of institutions which includes the iconic Ganapathy High School, a Pre-University College in Mangaluru, Parijnan College of Science & Commerce and the newly-begun Primary school- Parijnan Vidyalay at Kotekar, near Mangaluru.
3. **Guruprasad Education Society, Mallapur** : Manages the Guruprasad High School in Mallapur.
4. **Shree Trust, Mumbai** : Manages the Swami Parijnanashram Education and Vocational Centre. This is a Special School in **Virar, Mumbai** focusing on tailor-made education for the differently abled (both physical and mental) **and** it continues to do exemplary work, as always.
5. **Karl Education Trust, Karl** : Manages the Parijnanashram Vidyalya at Karl in Maharashtra.

Anandashram Vidyalya - a primary school (Kindergarten to 7th Standard/Grade) in **Shirali** is run by the Karnataka Education Department with assistance from Shri Chitrapur Math and is one of the feeder schools to Sriwali High School.

While Donations are required for all the schools managed by Trusts associated with Shri Chitrapur Math, both Saraswat Education Society and the Karl Education Trust are in the midst of expanding the operations of the Institutions under their respective management and the cumulative capital outlay for these expansion projects are approximately US\$ 5 million.
