Annual Report  
for the  
Academic Year 2022-23

Nurturing a part of India's Future

Dear sponsors, supporters and well-wishers of Srīvalī High School, Jai Shaṅkar!

I write to you at a time when India and the rest of the world has come out of the shadow of the Covid Pandemic. The functioning of your school was normal during the academic year 2022-2023. This Academic Year has as usual been a highly inspiring one for each and every one of us at Srīvalī High School... the Students, Teachers, the Administration and the Trustees.

I am very happy to inform you that our School has achieved a 98.98% in the SSLC exam held this year towards end-March for the academic year 2022-23. 24 students passed with Distinction.

“Education is the manifestation of the perfection already in man. Religion is the manifestation of the Divinity already in man. Therefore the only duty of the teacher in both cases is to remove all obstructions from the way” – Swāmī Vivekānanda. In keeping with the spirit of this quote, our school teachers strive to remove all obstructions from the path chosen by our Students for learning and impart quality education to them whilst participating whole-heartedly in the smooth operation of our School.

We are extremely grateful to have received funds from our munificent donors in the year 2022-2023, including the Chitrāpur Heritage Foundation and the Koṅkaṇī Charitable Fund, apart from numerous individuals and families who have generously supported our School as in the past.

We sincerely look forward to a continued and enhanced level of such financial support for this worthy cause. We have an outstanding team of people working very hard to make sure that Srīvalī High School remains one of the top schools at the District level and we have complete confidence that this will continue in the coming years. I would like to take this opportunity to thank all my colleagues on the Board of Trustees, the Sponsors and Donors, the School Administration and the Senior Leadership team for their unstinting support. Above all, we thank H.H. Shrīmat Sadyojāt Shaṅkarāshram Swāmījī for His continuous Grace and Blessings.

We are waiting for the implementation of the new Education Policy in the State and have to gear up to match the standards laid down under the new policy.

In keeping with the possible developments, we are exploring the prospect of switching our medium of instruction from Kannaḍa to English and adopting the CBSE curriculum for the School.

With warm personal regards, Praveṇ KaḍĒ, President Standing Committee
